What is a Poker Ride? A Poker Ride is a trail ride with several Card Locations on the trail. At each Card Location, the rider pulls a card. The rider must get to at least five Card Locations to form a Poker Hand. These cards determine the rider's poker hand. Once all riders are in, the cards are reviewed by our "poker expert" and the best hand wins the money! Door prizes are also given away courtesy of our local area sponsors.

- **Negative coggins required**
- **Helmets recommended**
